Treasurer's report: Our spring fundraiser was able to raise about \$24,000!! Way to go Roadrunners!! We were able to purchase the playground equipment, but are still asking for donations to help get our account replenished in order to help with field trips and teacher requests.

Principal's report: They are working on implementing Multi-tiered system support (MTSS) next school year. It will be able to help pinpoint which area your student needs help with or excels in and give them extra help in that area (math, vocabulary, social/emotional skills, etc). They will use Fast Bridge to help track the data.

Teacher feedback: 5th graders have been approved to go on a field trip to Ameritowne. There they will be able to run a community. They will learn how to write a check, balance a checkbook, apply for a job, sell a product, and much more! They applied for grants but are short \$504. Mrs. Peterson and H&S agreed to split the amount so they will be able to attend.
