Treasurer's report: We've got about \$42,000 in the account. We still have a bunch of activities to pay for this year and some we have already paid for.

Principal feedback: The trash cans have been installed around the playground! Please help keep our school clean and looking good. The sign in the front of the building was installed, but we are still working on getting ahold of the software company so we can get it totally up and running. Some teachers have requested new roly carts to transport the entire grades equipment to recess, along with some new equipment. They are going to get a list of items they want and report back to us at the next meeting.

Teacher feedback: Ameritowne field trip has been fully funded again this year by Astra bank! A pipe burst 2 days before school causing a flood in Miss Gottschalk's class room and ruining all of the indoor recess games. A big thanks to the Knoll Clinic for donating items to replace some things that were lost. Home and school was also able to help cover some of the costs.
